CHARLES & AGNES KAZARIAN FOUNDATION

MISSION

The Charles & Agnes Kazarian Foundation is a private operating foundation that seeks to empower great aspirations in the whole human family.

The Kazarian Foundation's mission is guided by the knowledge contained in *New Philanthropy Benchmarking: Wisdom for the Passionate*, especially the principle that the social sector can achieve transformative change by cultivating intense positive competition among its stakeholders.

The Kazarian Foundation seeks to empower families through economic development, education, and healthcare.

The Foundation believes that a society is best judged by its success in empowering the most disadvantaged, especially those with disabilities.

The Kazarian Foundation has approximately 100 professionals globally.

As a private operating foundation, the Charles and Agnes Kazarian Foundation is not a grant-making organization.
